Fishing Licenses and Permits: The permit ticket holder is obliged to keep it on him/her and to submit it to inspection authorities (surveillances, gendarmerie, customs officers, etc.) on demand. There is not any refund of a fee for non-used fishing days. Permit tickets and visitor tickets are non-delegable. If the fishing regulations mentioned on ticket's back-page are not being observed, the ticket shall be removed, and there shall be assigned any ticket more for common season! Fishing activities shall be carried out at own risk. Vegetation and facility damage is to be eliminated (personal liability). The fishing visitor agrees with these conditions on witness whereof he/she shall sign the permit ticket.

Fishing License – Issue Limitation: Independently of your accommodation selection, the fishing licenses are exclusively available at our place. We are recommending you to contact us per phone or per e-mail in advance because of day fisher limitation. We would like answer all your questions relating to fisheries.

Additional information: We would advise customers, that high water protection works at the lower end of the Gailrevier could throw up silt in the water on some days during the current fishing season.

Payment: In cash at taking-over, or it is possible to perform transfer of the whole amount on our bank account in advance. We do not receive credit cards / cash dispenser cards.
